CATALOGUE.

This Catalogue is issued for the use of inmates.

Every inmate who desires the use of the Library can have a Catalogue placed in his cell, and for the care of such Catalogue he will be held strictly responsible.

Any mutilation of the Catalogue, or any writing upon it by the person receiving it, will be considered an offense, and he will be liable to be reported, and have the privileges of the Library taken from him.

The books in the Catalogue are arranged alphabetically by the names of the authors, and all books in which the name of the author is not given, are classed as "Unknown."

LIBRARY RULES.

I The Librarian will keep a debit and credit account with the several inmates of the books issued to them from this Library.

II The Librarian will note any injury done to books by inmates and report the same and he will withhold books from inmates who in any way maliciously, purposely or carelessly injure, soil or mark the books in their hands.

Inmates are especially cautioned against soiling books with tobacco juice by moistening their fingers when turning the pages, also against marking books with pencil, or otherwise, to designate the place where they leave off reading.

III. But one Library book will be issued to any inmate at any one time, nor shall a second book be issued to him until the first has been returned and placed to his credit, which must be done within four (4) weeks.

IV. No inmate shall take from another inmate, or have in his possession, or in his cell, any book belonging to this Library not obtained directly by himself from the Librarian, and no inmate shall take his Library book from his cell for any purpose whatever, except as directed by the Librarian.

V. No officer or employe is at liberty to remove a book from the shelves without permission from the Librarian. And the Librarian must not permit any officer or employe to take a book to his home, or from the library room, without a special permit from the Warden.
